

Stabilized Approach to Landing

At this event you will learn about the Stabilized Approach concept and the importance of a stabilized approach for a safe landing. We will discuss how to maintain a stabilized approach and know when to go-around. Please join us at this exclusive seminar. Click on the link below and register TODAY. Come early at 6Pm for food and social time followed by a brief meeting. the Seminar will begin at 7:30PM

Directions: Take the General Aviation entrance to the Asheville airport. The Lacy Griffin building is first building the right past the 4-way stop.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants.
